

Regional staffers,

Please note, the following statement made in our prior message to sponsors does **\*not\*** apply to you. When you log into ConEdLink as a Regional Staffer, you **\*will\*** be able to LOOKUP any practitioner in the state, and you **\*will\*** see which ConEdLink rosters they appear on regardless of who sponsored the class. You have these extra capabilities to assist you in auditing a practitioner's con-ed attendance, which we are aware may eventually become your responsibility.
